"Christian unity."

Miss Alice L. White, principal of the Mostgomery (Ala.) Industrial school will ting committee was appointed to report address the meeting in the Congregational chapel this evening. Miss White Mrs. Cassle Cutting, 50, wife of Ar-

To date 75 automobiles have been ilnsed in town by Town Clerk C. S. Hopkins, the majority of which are Fords, besides several that have been licensed directly through the secretary of state's Thomas W. Rogers, who was shot Mon-

day in Brandon by a burglar who had entered his home, was well known here had the contract to remodel the town hall building when that work was done in 1893-4.

Blueberry pickers say that this is a poor season for them as the dry weather and the hot days have dried the berries. Very few have been brought to the stores and the price has been 18 cents a basket.

The blasting operations on the ledge opposite the railroad station resulted in breaking seven windows in the station Monday afternoon. Several blasts have been set off each day and a good quantity of rock is being removed from the ledge.

The train which leaves here for New London at 7.25, was delayed more than an hour yesterday morning just south of Vernon station. The forward coach jumped the rails and went a short distance along the ties. The other cars remained on the iron and little damage

For the first time in its history th Brattleboro Water company found itself short of water this week and had the tower on Western avenue, near Union street, connected the supply of the Brattleboro Water Works company. The latter's supply is not especially low at present, but the officials are emphatic in the suggestion that users of the water

W. C. Mitchell, long connected with the Hooker, Corser & Mitchell Co., overall business in Brattleboro as a partner and manufacturing superintendent of the old firm, and treasurer and superintendent of the present corporation, has sold his interest in the business to W. H. Proctor and definitely closed his connection with the company. His plans for the future are not as yet perfected.

The dog licenses netted the town \$493.80 this year and Town Clerk C. Hopkins has placed that amount to the town's credit in the bank. There were 335 dogs and spayed females taxed at \$1 each; 15 dogs and spayed females taxed at \$2 each; and 42 females taxed at \$4 each, making a total of \$533. Town Clerk Hopkins received a renumeration of \$39.20 for his work in issuing the li-

Saturday in the Brattleboro Re-She was a well-known character in Bennington county many years, liv-ing in Manchester and vicinity. After she was 85 years old she would tramp the roads all day, even in zero weather, covering many miles in her wanderings She was brought to the Retreat The body was taken to Manchester for burial.

Three classes in the Baptist Bible school, the Baraca class, the Philathea class and class No. 3, met at the home of Mr. and Mrs. Fred S. Knight Wednesday evening for an informal sociable using both the lawn and the house. There pleasure in the occasion. and instrumental music was enjoyed and refreshments were served. The Baraca class elected these officers: Teacher, L. W. Hawley; pres., L. P. Gracey; vice pres., G. C. Whitney; sec., A. C. Gow; sst. sec., H. S. Hodder; treas., Clarence Merrill; asst treas, Earl Howe; librarian, H. J. Wilson; standard bearer, F. R. E. Dompier; press agent, Fred S. Knight.

break in the water main near the White River Chair company's factory on Vernon street last week has caused serious setback to the teaming by that company the past week. The break occurred in a part of the pipe buried more than 12 feet underground and the workmen were compelled to dig across the street in order to locate it. In doing so they have blocked the street so that loaded teams from the factory get past, Small loads have been transported, but the shop is rushed with rders and immediate delivery is wished for by the company. Another break took place near the Standard Oil company's have been digging to locate it.

Rev. Father M. J. Carmody of St. Michael's Roman Catholic church is securing names of prospective members of the Holy Name society. At present he has secured a long list and within a short time it is probable that a local branch of one of the largest religious societies in the world will be formed.

A meeting of the men of the Baptist church was held after the morning ser vice Sunday and the committee appointed two weeks previous to draw up a constitution for a local chapter of the national Brotherhood reported. The constitution was adopted and a nomina

Mrs. Cassle Cutting, 50, wife of Arthur W. Cutting of Pearl street, died Sunday in the Memorial hospital following an operation. She was born in Mor-gan, this state, April 16, 1861, and was a daughter of Zachary and Delia Hazelton Knight. She leaves her husband. The was taken Tuesday to Charleston, this state, where the burial took place.

Rev. Henry H. Peabody of Rome, N. , was a speaker in the morning ser-ce in the First Baptist church Sun-y, Rev. Mr. Peabody was paster of his church from 1868 to 1870 and preach the first sermon in the new church ilding. Following his pastorate here bullding. building. Following his pastorate here he went to Rome, and was pastor of the Baptist church in that city 35 years, until his retirement. This is his first visit here in 40 years. While here he was a guest of Miss Archer of Ames

After working on one of Bushnell's delivery wagons Monday morning Homer Wright complained of feeling ill and within a few minutes was in a Dr. H. D. Holton and Dr. C. R. Aldrich were summoned and pro ounced it a case of heat prostration, Mr Wright is reported as making a good recovery and probably will return to work Monday. George Norbert, dyna-mite boss at the blasting on the ledge opposite the railroad station, was overome by heat Monday morning about foctock and rested the remainder of the day, but had recovered Tuesday morn ng and has since been at work.

The meeting on the common Sunday afternoon under the auspices of the Bet-ter Brattleboro league was addressed by Rev. H. L. Ballou, pastor of the Con-gregational church in Chester. C. B. Crowell presided and following music by the Baptist church choir and the or chestra G. M. Clay read the scripture lesson and Dr. H. D. Holton offered prayer. Rev. Mr. Ballou then gave a very trong sermon, prefacing his talk with a story of a young man who was to reach his first sermon and who asked its mother on what subject he should talk. Her reply was, "Jesus Christ." Rev. Mr. Ballou is an exceptionally fine speaker and his discourse held the atention of his hearers until the last

The local business men who have been nterested in the lead and silver mine in Newfane, near Wardsboro, have stopped operations there for the present. The mine has been excavated to a depth of more than 50 feet and there are now tons of ore heaped up beside the opening. If the ore assays as much as some of the owners fondly hope there is \$50,-000 worth of raw lead and silver above ground at the present time. No great amount of the material has been sent away, but several samples have been sent to be assayed and the owners are waiting for the report. Herbert P. Yearly has sold his interest to other members of the group. The others who were doubtful as to the mine's success were offered a good price for their holdings at the time Mr. Yearly sold, but decided not to let them go.

During the thunder shower Thursday vening of last week a bolt of lightning struck a group of six pine trees on the Goodall farm on the Putney road and Goodall farm on the Putney road and set the underbrush on fire. The flames made little progress during the night, but the rain kept them from spreading rapidly. On Friday morning the flames everal men went to the scene and extinguish the blaze. Selectmen John Galvin and A. E. Merrill went to the farm Wednesday morning, several small fires having broken out, and armed with palls and hand pumps put out the flames. Mr. Merrill remained there all day and put out several fires that broke out. A man watched the place yesterday and during the day poured water on several small flames that started. The ground is dry and the flames work into the earth, and while apparently the fire is out, it crops out in unexpected places.

Mrs. Anna M Williams 56 wife o Anson I. Williams, died early Sunday morning in her home on Chestnut street, of heart trouble and complica-She was born in this town March 27, 1855, and was a daughter of Franz and Emma Bohrman. She attended the schools of Brattleboro and was married April 12, 1873, to Anson I. Williams and Williams was an active member of Protective Grange, Dennis Rebekah lodg and the Ladies' Enterprise society, and had done much work for thes organiz She leaves a husband, two town and Mrs. Bertha Tidd of North pton, two sisters, Mrs. A. E. Robbin Dummerston and Mrs. George A Barker of Brattleboro, and three brothes, William C. Bohrman of Munchester If., Frederick Bohrman of Berkeley Cal., and Frank Bohrman of Bridgepor Conn. The funeral was held in the hom donday afternoon, Rev. Dr. John R. Gow of the Baptist church, of which she was n active member up to within a fey years ago, officiating. The bearers were John Dugan, E. S. Cooley, H. C. Burnett, and Lucius Moore, and the burial took place in Prospect Hill cemetery mbers of Dennis Rebekah lodge at tended the funeral in a body,

William C. Horton has received from M. B. Cummings, professor of horticul-ture in the University of Vermont, a reply to a request for information rela found while examining his elm trees The white particles were at the junc-tion of the small branches and appeared to be cocoons. Mr. Horton broke off several branches and showed them to different persons here, but as he was unable to identify the infestation he sent samples to Prof. Cummings. In reply Prof. Cummings said in part: "The twigs are slightly infested with an ins the Elm tree scale. So far as I know, this insect has never become and up to the present time we have not been called upon to furnish any recom-mendation for the control of the same. doubt if you have anything to fear from this insect although you do not state how abundant they are on your trees or in your section. If you should think it necessary to adopt control measures, I would advise you to arrange to have the trees sprayed late his fall when the leaves have dropped, or early in the spring before the leaves come out, with the lime and sulphur Mr. Horton expects to spray spray. his trees in the fall in order to be rid of the pests and although no serious trouble has been reported other persons

Arthur Blood has bought Mosher & Cobb's large Stevens-Duryea touring

The ashes of James B. died June 25, were brought here last week and committal services were held at the grave in Prospect Hill cemetery Saturday, Rev. Roy M. Houghton officiating. The body was cremated in Chicago.

Two engines, each hauling 25 New York, New Haven & Hartford railroad passenger coaches, passed through here Sunday evening bound for Canada. When asked where the cars were going one of the conductors explained that they were being taken to Montreal to be used during the summer rush on the Grand Trunk railroad.

A meeting of the executive board of Brattleboro chapter, D. A. R., was held in the home of Mrs. L. E. Holden Saturday afternoon. One new member was voted in. It was decided to give up the July meeting on account of its coming so near the meeting in Vernon for dedi-cation of the Fort Bridgman marker. At the time of the August meeting the members will have a motor boat ride to Echo park.

School will not be in session Tuesday afternoon and the whole of Wednesday and Thursday in Valley fair week, Thanksgiving day and the day follow-ing, Washington's birthday, and Memorial day.

W. S. Carson of Greenfield, the real estate agent, has sold for Henry Bond of Brattleboro the former Pierce street Baptist church and lot in Greenfield to Hermann Sons, a fraternal organization which has about 80 members and which will use the church building as its home. Hermann Sons is an organization which is 300 years old and takes its name from a German chieftain, prince of the Cherusel and the liberator of Germany from

George Anderson, a young man with a local reputation as a diver, attracted much attention Monday afternoon by diving several times from the top of the arch of the Iron bridge which extends from Bridge street to the island. The point is 70 feet or more above the water Anderson, when diving starts as in a regulation dive, but before he reaches the water he is curied up like a ball and hits the water with much force. A good sized audience watched him Monday afternoon and each time that he reap-peared at the surface and struck out for shore most of those who saw his daring

The annual meeting of school district No. 2 will be held in the high school room next Tuesday at 8 o'clock p. m. The warrant contains nine articles, the third of which is to elect officers for the coming year. Judge J. L. Martin's term of three years as a member of the school board expires this year. Judge Martin doubtless will be re-elected without oposition if he is willing to serve another erm. Article 6 is to see what action the district will take under Act 66 of the public acts of 1910, relating to teachers' pensions, and article 7 is to see what action will be taken under Act 73, relating the other articles are routine.

Mrs. Susan F. Ellis Fogg, 58, widow of D. C. Fogg, dled in her home in Keene Sunday. Her sister, Mrs. E. L. Cook of mouth taught school successfully several years previous to her marriage to Mr. She was a woman of sterling acter, respected by all who knew there, as essential driv.

The funeral was held in Keene wheels in the unoiled part. Wednesday. Walter Cook came from An alarm from box 43 at 19.45 yester-Richmond, Va., to be present at the day morning summoned the fire appara Frank Ellis of Surry, and three sisters, Mrs. Holman of Hinsdale, Mrs. Cook, and Mrs. Joslin of St. Paul.

A searching party consisting of W. A. Shumway, H. E. Harris, Dr. G. F. Barper and Selectman John Galvin spent about three hours Monday afternoon ooking for seven-year-old Lee Riggleman, who lives with his mother in one of the watercure buildings. Mrs. C. R. Riggleman works in a laundry leaves the boy at home during the She went to work as usual Monday and on coming home to dinner could not lo-cate her son. Neighbors had seen him began to make good headway and help about 10 o'clock, but not since then, was summoned from this village and She notified Mr. Galvin and he organized the party. They separated and went to several swimming holes about town and playmates. One of them finally found him near the lumber yard of Holden & Martin and took him home. He had been in swimming and, becoming tired, had fallen asleep in a field near Whet-stone brook, where he was found.

Charles B. Waite, member of the no "boodle" board of aldermen of New York city, whose fame was a part of the city's history in the early eighties, died Friday in New York, after a protracted illness. Mr. Waite became an informer on his associates when the district attorney delved into the sale of votes which went on when Jake Sharp was seeking a franchise for the Broadway railroad in 1884. Waite inherited a Waite, a man who went from Brattleboro years ago, who became proprietor of the Sherman House in Chicago, the Brevoort in New York, and who had an interest in the old Windsor hotel of New York. Charles B. Walte and his mother were conspicuous members of the ter and afterward was married (American colony in Paris some years, crick Schuster of that familythere. Mr. Walte was a liberal con-tributor when actively interested in politics, and is said to have given \$30,000 to a campaign fund in New York in 1882, when Grover Cleveland was elected Mr. Waite married in 1898 Lelia Wylle Hurd, proprietor of a millinery establishment on Fifth avenue. She was wreck of an express train in Salisbury, England, in 1906. one of many Americans killed it

Few changes will be made in the teching staff of school district No. 2 the coming year. Miss Neille A. Prouty, who was away the past year on a leave of absence, will resume her position in grade 6 in the Canal street building. Her substitute, Mrs. Hortense S. Brucwill take temporarily the Harlow, the efficient teacher of the fifth grade in the same building, who, for health reasons, will take a long-er season for rest than the summer vacation affords. This is the only change now in prospect in the grades. One of the corps of instructors in the high school, Miss Elizabeth Spalding, the asschool. Miss Elizabeth Spaiding, the assistant in the commercial department, has resigned in order to assume a charge of greater responsibility and with increased remuneration in the high school of Stamford, Conn. Miss Spaulding had taught for two years in the position she has just vacated, and although coming here without experience, had, by her cheerful nature and capacity for hard work, won the confidence and respect of all who knew her, well. To fill the vacancy the committee have appointed Miss.

School, Miss Elizabeth Spaiding, the assistant in the commercial department, avenue near the cometery, parallel with sevently parallel with sevently parallel with for the street, and the land needed for the street has recently been givent to the town by Mrs. Emerson and accepted by the selectmen. The new thoroughfare opens up six lots for building purposes which were offered for sale by W. C. Horton's real estate agency, the committee have appointed Miss may be described by the selectmen. The new thoroughfare opens up six lots for building purposes which were offered for sale by W. C. Horton's real estate agency, the committee have appointed Miss and Mrs. E. L. DeKlyn of New Rochelle also are spending the summer there.

Fred H. Harris is at his father's cotage at Spofford lake this week with J. G. Nelson of Concord, N. H., as his guest. Harris and Nelson are the New England and New England intercollegiate tennis champions in doubles. Harris has graduated from Dartmouth and Neison has succeeded him as captian of the Dartmouth tennis team. The young men will go to Boston tomorrow to be ready to play in the Longwood tennis tournament in both singles and doubles. Harris will defend his titles Wood is a graduate of Mount Holyoke pipes have been laid through a portion doubles. Harris will defend his college, class of 1948, and during the past of the street and it is probable that as Vermont state champion and three years has taught in the comr clai department of the Grafton high school. E. E. Perry & Co. Always Reliable

A Word to Depositors in Savings Banks

There are many matters connected with human affairs that are beyond human knowledge.

We know they exist, but why, Omniotence only understands. But when it comes to cold-blooded, everyday business affairs like banking, we find that given conditions certainly

produce their logical results. Here is a concrete illustration;

On the first day of July, 1907, the Hyde Park Savings bank had deposits aggregating \$844.158.34. Four years later, to wit, on the first day of July, 1911. those deposits had increased to \$2.018 -306.77: 139 per cent or \$1,174,148,43 gain

in four years. The first utterance given to a statement of this kind is, "It cannot be

true. The second is, "The growth is phe-

And then we say, "It is simply wonterful-how can it be?" Figures do not lie and the cold facts in the matter are that in the little village of Hyde Park with its population of only 423, there is a savings bank which the people of Vermont hold in such high esteem that for four years the deposits therein have exceeded the withdrawals by betwen \$900 and \$1000

for every working day in the four years.

What is the explanation? Simply that the people of Vermont have watched the growth of the Lamoille County Savings Bank and Trust company with unusual interest because of its management and its methods of

investments. They have not falled to observe that in its entire existence of more than 22 and with such painstaking care that the bank has a record, probably unparalleled, of never having lost a dollar by a

poor note. The man or boy having money to deposit has simply said to himself, "the very safest, the very strongest, and the most conservative savings bank mansagement is none too good for me, and if the four per cent interest paid by the Hyde Park bank is the highest rate of interest paid by any Vermont bank, and if it is perfectly safe to send money by mail-and the records show that not a dollar of deposits sent by mail to this bank was ever lost-why shouldn't I place my funds for investment and safe

keeping in the Hyde Park bank?" The question is a natural one and the answer follows as naturally as the night follows the day.

Really, there is nothing mysterious about this abnormal and phenomenal
